

The December meeting was held on Dec 9th at Hall Dodge. Business was taken care of first with the election of new club officers! Followed by our Christmas Party with a pot-luck dinner, and gift exchange. The food was fantastic having a large selection to choose from. The gift exchange was very entertaining as gifts found new owners again and again.

President Butch Hora, unveiled the new club trailer at the December meeting, with its fine graphics done by Rick Hart of Hart Architectural Signage in Chesapeake, VA. The trailer will be stored at Hall Dodge.

2009 is shaping up to be another exciting year. Plans are underway for several shows. A TMC "Show an Shine" at Hall Dodge in the Springtime and another TMC Hall Dodge Mopar Show during the summer months.

The Club received the renewal notice for the TMC membership at SAM's Club. SAM's Club account allows club members to join SAM's club as a business member for only \$35/year. The extra benefit of a business membership (other than cost) is that you can shop during the expanded store hours. You still have to pay sales tax. For the TMC business membership, we have to sign up/renew as a group. If you want to be added to the club business account for SAM's Club, give me a call at (757) 380-7807 and I will tell you what to do. For those currently on the account, please mail me a check for \$35 made out to Bill Laurent at the address below and I will in-turn pay the TMC renewal (one payment must be made for the group). New members and renewals need to contact me no later than 2/15/09, at which time I will renew the account.

This Winter beware of the elusive "SnowPar!" They can lurk in those snow banks on the side of the road or in some yard under a blanket of fresh snow. If you see one do not approach it without documenting its year and location because we would all like to see the proof!
